COMMUNICATION

Hon. Commissioner of Patents  
Washington, D.C. 20231

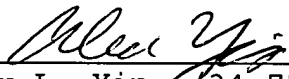

Sir:

A review of the Notification of Acceptance of Application under 35 U.S.C. 371 and 37 CFR 1.494 or 1.495 received for the above-identified patent application indicates that the receipt of a copy of the Article 19 Amendment previously filed in the PCT International Application was not acknowledged thereon. To ensure that the Examiner considers the Article 19 Amendment when

the application is examined on the merits, applicants enclose a copy of the Article 19 Amendment as filed in the event that such an Amendment is missing from the PTO files.

We also enclose a Notice of Change of Correspondence Address and Attorney's Docket Number. Please change your records accordingly.

Respectfully Submitted,
